Westhoff, the famous traditional coffee roaster from Bremen, only uses premium raw coffee of the brand Arabica and Robusta. Due to a slow roasting process the coffee beans are evenly roasted inside and outside. A fine and bittersweet flavour is created. Our coffee beans are subject to the Fairtrade standard, they guarantee coffee farmers a fair wage, plus us an excellent organic quality.

## **Tea**

## Premium teas out of Frankfurt's traditional brand Ronnefeldt

Enjoy one of the most widely drunken beverages in the world – the "tea".

Originally tea comes from China. Today tea is also cultivated in India, Sri Lanka, Taiwan, Indonesia, Japan and East Africa. The flavour, characteristic and especially the quality of tea is distinguished by the climate, the ground, the altitude of cultivation, the harvest time and the manufacturing process.

The precious teas of Ronnefeldt are produced in the traditional method by gentle treatment of the tea in handcraft. The tea convinces with a fine flavour and is not subject to mechanical mass production.

Enjoy the variety of flavour of your tea out of a traditional cast iron pot.
